roadway and should be redesigned for safety reasons.

He informed the board he sent a letter to the state Department of Public Works in 1981 to seek help in having a new approach road made into the park. He said about 300 people are working in the businesses in the park, using that roadway at least twice a day. He said he was told at that time he would have to have a traffic study done, with an official statement as to the hazards. He noted the state did not have the funds at that time to conduct a study and recommended a private study be done.

Folino also told the board that he gets in and out of the area with his trucks "very dangerously". He said that with Brownell Boat Works planning to locate in the park there will be an additional hardship for Brownell getting in and out with his equipment.

Folino said he would like to see a nice, clean simple sign at the Industrial Drive entrance listing the names of the companies. "In my opinion," said Folino, "I would like to see a third road leading to the proposed ball park off Industrial Drive."

The Selectmen agreed to arrange a joint meeting with the Planning Board, Industrial Commission and Folino to prepare a study for the state. They noted they will also seek the assistance of Senator William Q. "Biff" MacLean to see what can be done. Selectmen James F. Huntoon commented this present problem could be a bigger problem in the future.

On another matter, Folino informed the Selectmen that because of a misunderstanding in his referring to an outdated Planning Board rules book he has been unable to build a warehouse-type building on his land at the park. A certain size building needs a certain amount of land; he has six acres, but more is needed for his plans. He had planned to employ about 80 people in the new operation.

In other business, Selectmen:

Quality Engineering) decision regarding the installation of equipment for the control of acid gas emissions. The letter noted this additional equipment will result in an increase in the tipping fees the town will have to pay SEMASS.

The board agreed to review the contract and refer the matter to Town Counsel Donald J. Fleming. Selectmen felt they wanted to know when SEMASS first knew of the state decision and for how long it has been applicable. Selectman Huntoon felt it was not a new law but was on the books when the town contract was signed.

MET WITH Building Inspector David Crook to clarify when he can seek the opinion of town counsel. Selectman Huntoon explained Crook will have to come to Selectmen when he has a problem rather than incurring attorney's fees by going to town counsel first.

Crook, who has been in the inspector's job for seven weeks, responded, saying, "Anything I've done up to the present has been above-board. If I have a problem, I'll bring it to you first. That's the way I work."

Huntoon said "We want the building codes to be enforced. Personally, I feel the building codes were not enforced strongly enough in the past." Chairman DeCosta said, "We are

MATTAPOISETT SELECTMEN'S MEETING
DECEMBER 26, 1984 - by VIRGINIA ARRAL
DRAWING JURORS NAMES WILL
LEAVE SELECTMEN'S HANDS

A change in the way names of town residents are drawn to serve as jurors will become effective June 1, 1985. Selectmen were informed by Jury Commissioner, Paul J. Carr, that, as part of Plymouth County, Mattapoisett will be included in the One Day/One Trial Jury System.

By way of explanation, Commissioner Carr wrote that on November 16, 1984, the Massachusetts Supreme Judicial Court adopted the recommendation of the Jury Management Advisory Committee to expand the One Day/One Trial jury system to Norfolk and Plymouth Counties. It is presently being used in Middlesex County.

The One Day/One Trial jury system was created by the enactment of General Laws, Chapter 234A, as amended in October 1982 to include every county in the Commonwealth in a phased-in process. It is designed to eliminate all exemptions from jury service, thereby allowing every citizen the opportunity to serve as a juror. In order to accomplish this goal, each designated city and town must submit a list of residents to the Jury Commissioner by June 1st of each year.

From these lists, the Office of Jury Commissioner will randomly select jurors for ser-

vice during the upcoming year. Other than preparing an accurate and timely resident list, the city and town officials have no further obligation regarding juror selection, which will remove that time-consuming burden from the Selectmen's office.

Selectmen noted there will be a conference held in January to explain the aspects of the system to the Town Clerk. Executive Secretary Carol Adams and Selectmen's secretary, Elaine Sylvia, both commented that the changeover will save a lot of work in the Selectmen's office such as sending out questionnaire forms to residents to be placed on jury lists, issuing summons to those who do not return the forms, typing the lists, and drawing the names.

At the meeting, Selectmen drew the following names of persons to serve as jurors at the Criminal/Civil Session in Brockton starting January 7, 1985: Wilfred Belanger, 88 Aucoot Road; John Bernier, 152 North Street; Jennifer M. Collyer, 6 Captain's Way; Patricia Mello, 147 Fairhaven Road; and Edward Slade, 15 Marina Drive. The name of Gerald G. Kellogg, 4 Baker Lane, was drawn to serve as a grand juror in Plymouth on January 7, 1985.

In other business, Selectmen:

WERE NOTIFIED that Robert E. Black is the new chairman of the Board of Appeals. He is replacing George Heinz, who will remain as a board member.

RECEIVED A LETTER from Phillip Purrington, 168 North Street, expressing his concerns of acid rain and its possible effects on herring. The board referred his letter to the Tri-Town River Committee and the Fin, Fur and Feather Club's River Restoration Committee.

equipment, materials, tools, etc. 6) A 24 foot by 18 foot spray booth may be erected at the rear of the existing garage, and shall conform with all state and town regulations. 7) The use as a repair shop shall conform to all state and local rules with regard to fire and safety; no obnoxious noise, vibrations, dust or odors shall be produced; any future sign shall not be larger than the existing sign; no portable signs will be allowed.

The Appeals Board granted permission to John D. and Beatrice E. Cairns of 150 River Road, Marion to build on undersized lots located within the Bayberry Park subdivision. The structure must conform to the following minimum set-back requirements: street set-back, 35 feet; side set-back, 20 feet; and rear set-back, 30 feet.

The Board denied the petition of Robert M and Harriett S. Sherman of 468 Neck Road, Rochester to convert an existing dwelling at 83 Fairhaven Road to a three family dwelling.

Because the lot does not meet the zoning by-laws which require 40,000 square feet of unoccupied land for multi-family dwellings of not more than four units and the petitioners have not demonstrated a hardship, the request for a variance was denied.

The petition of Leisure Shores, Inc., c/o Gladys T. Dupont, 780 Pine Hill Drive, New Bedford, for a Special Permit for use of an undersized lot was withdrawn without prejudice. The land in question is on Brandt Island Road.

BOARD OF APPEALS DECISIONS
DECEMBER 21, 1984 - reported by VIRGINIA ARRAL

A Special Permit was granted to Thomas E. Fredette, 91 Marion Road, to operate a small engine repair shop. The request was made on behalf of proposed buyer, Gary Costa, of 456 Lakeside Avenue, Lakeville.

Following a hearing held on November 29, the Appeals Board issued the following conditions to the permit: 1) Not more than two people, not members of the household, shall be employed on the premises. 2) Hours of operation shall be limited to 8:00 a.m. to 6:00 p.m., Monday through Saturday. 3) All small engines being repaired, not including those on display for sale, shall be screened from view. 4) No exterior storage of equipment. 5) No portable or mobile signs permitted. A sign of not more than three square feet of surface per side shall be permitted. Other conditions referred to safety, parking and storage aspects.

Elizabeth and Joan Flaherty, 50 Church Street, were granted a Special Permit to build a single-family cape-type dwelling on a lot containing less area than needed to build, according to current zoning by-laws. The property is located at 5 Hamlin Road, and the special permit shall lapse in two years if construction has not begun by that time.

Ethel M. and Charles Howard, Jr., 225 Dover Road, Westwood; Barbara J. and George W. Kellum, Jr., 30 Holmes Street, Rehoboth; and George W. Kellum, III, 30 Holmes Street, Rehoboth were granted a Special Permit to alter lot lines and lot sizes on premises located at Second and Third Streets, Mattapoisett (in the Peases Point section).

Rochester Paper Collection

Arrangements have been made for the newspaper collection truck to be parked beside the Rochester Fire Station, corner of Pine Street and Hartley Road, the weekend of January 12th and 13th. This is being provided as a public service and will occur on a bi-monthly basis (or more often if the need is apparent).

Keep the date in mind and set aside your old newspapers, tied in small stacks or bundled together with masking tape, so that you may drop them off at the collection truck any time during that Saturday or Sunday.

This newspaper collection service is being sponsored by the Rochester Republican Town Committee. Your participation is appreciated.

Thomas H. Dunn, is a 1984 graduate of Old Rochester Regional High School and currently a pre-law major at Trinity College of Hartford, Connecticut. The Trinity Dance and Music Club, a combination theatrical movement, acting, and voice group, occupies Caren's musical interests at school. She has also participated in special groups in the dance under the direction of Ms. Nusha Martynuk. Her future plans include joining the 150 member Trinity Church Choir which tours local Hartford colleges.

Carmen, the daughter of Dr. and Mrs. Robert Gracia, is also a 1984 graduate of Old Rochester Regional High School and is a premed student at Harvard University. The Radcliffe Choral Society, an approximate sixty member women's choir, under the direction of Mr. Ben Taylor, is Carmen's present musical interest. She has sung with them at Paine Hall on campus and at St. Paul's Cathedral in Cambridge, Massachusetts in performances with the Boston Ballet's "Nutcracker Suite". The Choral Society is planning a future concert with the Portland Symphony Orchestra and a tour throughout the northeastern United States during the Spring. In addition, Carmen also plans to sing with them in a Spring Bach Festival.

Next year F.O.R.M. plans to again award scholarships to deserving students like Caren and Carmen and very much appreciates the support of the communities and businesses encompassed by the Old Rochester Regional School District.

ST. ANTHONY'S YOUTH GROUP (C.Y.O.)
BIDS FAREWELL TO FR. LARRY

St. Anthony's Youth Group is sponsoring a farewell benefit dance for Fr. Larry Morrison. Fr. Larry will be on his way to his new parish in Texas soon after the first of the year. The proceeds of the dance will be a parting gift to Fr. Larry. His new parish is in a poor border community, and the funds will help him to begin his work.

The dance will be held in St. Anthony's Church Hall on Friday, January 4th. Students in grades 7 through 12 are invited. The D.C., Mr. Mello, will be spinning discs from 7:30 to 11:00 p.m., and the cost is $3.00. Refreshments will be available.

In preparation for Fr. Larry's new parish, the theme of the dance will be Mexican-Texan. People attending are encouraged to come dressed for the theme.

In 1913, three Granges within Sippican Pomona were organized on the first week of December -- South Middleboro, West Wareham and Marion. Marion Grange has just observed 71 years of service in the community. Past Masters who have worn the pink sash of the Massachusetts State Grange are Reed Dana Macafee, J. Newton Barrows, John Bower as deputies of the State Grange. John Bower also served as Youth Deputy and Director of the Youth Committee. Mildred LeBaron served as Deputy and Director of the Juvenile Grange.

The Masters who also served as Pomona Masters are J. Newton Barrows, first Pomona Master; Reed Dana Macaffe, John Bower and Clayton Westgate. Lecturers who served Pomona were Edna Borden, secretary to Congressman William Nicholson; Mildred LeBaron, June Westgate and Dorothy Wilson. Holdegarde Saunders was presented a 60 year Grange membership seal by Anne Bower, Master. Mrs. Saunders joined Marion Grange the same year that Sippican Pomona was organized.

Chalk artist Linda Tillson entertained with a lovely program and Christmas gifts were exchanged and all joined in singing Christmas carols.

ORR SENIORS RECEIVE EARLY ACCEPTANCE

Susan Herman, daughter of Mr. and Mrs. Joseph Herman of Rochester, received word that she has been accepted under the Early Decision Plan at Johns Hopkins University in Baltimore, Maryland. Under the highly competitive Early Decision Plan a student is notified of acceptance in December. If accepted, the student must withdraw application from all other colleges. Ms. Herman will enter Johns Hopkins next fall. She plans to major in Classical Studies supplemented by

a pre-med program.

During her four years at Old Rochester Regional High School Ms. Herman has received academic achievement awards in Latin, French, Science, Social Studies and Mathematics. She ranks first in her class, was awarded the New Bedford College Club Outstanding Student Award as a junior and the Superintendent's Academic Fitness Award as a senior. Ms. Herman is treasurer of the National Honor Society, co-captain of the Math Team, a member of the track team, yearbook staff, warrant committee and the school newspaper. In 1983 she placed first in the local Voice of Democracy contest and in 1984 was second.

Ann Riedl, daughter of Mr. and Mrs. Thomas Shea of Marion, has been accepted on the Early Action Plan at Princeton University in Princeton, New Jersey. Approximately one-third of the students who apply under this competitive plan are accepted in December. Unlike Early Decision, this plan allows students to apply to other colleges and universities. Ms. Riedl plans to major in psychology next fall.

As a senior Ms. Riedl serves as President of the National Honor Society, editor of the yearbook, co-editor of the school paper, president of the Drama Club and co-captain of the track team. She has also established a chapter of S.A.D.D. (Students Against Drunk Driving) at ORR and serves as president. Ms. Riedl, who ranks second in her class, has received academic achievement awards in Latin, English, Social Studies and Geometry. As a junior she was named the recipient of the Harvard Book Award and the Washburn Memorial Award for excellence in Social Studies. This year, Ms. Riedl received a National Merit Letter of Commendation and the DAR Good Citizen Award. During the summer of 1984 she served as a member of the Search and Screening Committee for Principal and Vice Principal at ORR.

ter of Gary and Susan Hoyt of 35 Mechanic Street, Mattapoisett, spent the summer studying "Life and Language in France" and "Exploring the Essay" as part of the Massachusetts Advanced Studies Program at Milton Academy, and thanks to a scholarship from Sippican Ocean Systems, Inc. of Marion.

"This is the fourth consecutive year we've sponsored a gifted student from the area," explained Sippican Personnel Director Andrew Mendes. "We at Sippican think this program is outstanding and are proud to be able to assist gifted area youth in taking advantage of it."

Christina was one of over 230 students attending the six-week program designed to challenge academically gifted high school students with classes such as computers, astronomy, biology, mathematics, literature, French, philosophy and problem solving. Currently, she serves on the school newspaper, warrant committee and yearbook, girls' track and volleyball teams. She is a gifted musician as well, having studied and played classical guitar for the past ten years.

Milton Academy offers the Massachusetts Advanced Studies Program for the "best and brightest high school juniors" without regard to their financial status.

Rochester Regional Junior High School, was one of 104 outstanding teachers and secondary school principals honored recently during the "In Honor of Excellence" national conference.

Sponsored by the Burger King Corporation and the National Association of Secondary School Principals (NASSP), the program was initiated this year to recognize quality educators and provide them with additional professional development.

One teacher and secondary school principal was selected in each state and invited to the national conference December 13th-17th at Captiva Island, Florida. During the five days they heard a number of recognized speakers, including Theodore Sizer, chairman of the recently released "A Study of High Schools"; Dr. Gary Jones, undersecretary, U.S. Department of Education; and John Casteen, Virginia's state superintendent of schools.

"It's time that America honors the people who are so important to assuring our future remains bright", said J. Jeffrey Campbell, chairman and chief executive officer, Burger King Corporation. "Without high quality teachers and principals in our schools, our children simply will not receive the best education possible."

Mr. Gardner received a crystal plaque from Campbell during the conference in recognition of his achievement.

Tobey Back School

The dates for the next Back School at Tobey Hospital will be Thursdays, January 10th and 17th. Sessions are held from 7 to 9 p.m. in the Rehabilitation Department on the Ground Floor of the Hospital.

Intended to offer instruction in the proper use and care of the back, the program was developed by Orthopedic Surgeon Dr. Gregory Johnson and the physical therapists of Tobey Hospital. The topics covered in the Back School are anatomy, biomechanics and pathomechanics of the spine, a film entitled "It's Your Back", instruction on proper body mechanics, lifting techniques, and posture, exercise principles and importance, and literature on back care is distributed.

The cost per individual is $25, which includes both sessions. Lower group rates are available. A physician referral is recommended but not necessary. For further information and registration, please contact the Rehabilitation Department at Tobey, 295-0880, ext. 361.

Happy New Year

Best wishes to our many friends and customers for the coming year!

If you've resolved to have more fun in 1985, we can help with craft projects galore! Come visit us soon ...

TWIN Services

TWIN'S FAMILIES TOGETHER MEETING

The second meeting of T.F.T. (TWIN's Families Together), a support group for people with relatives in area nursing homes, will be held on Tuesday, January 8th, at 7:30 p.m. in the Southworth Library Auditorium on Dartmouth Street, South Dartmouth.

The meeting will be conducted by Helen M. Shanley, Executive Director of TWIN (Team Work for Inter-Nursing Home Services, Inc.), and Ann Carter, Social Worker. There will be a question and answer session, and they will lead informal discussion groups focusing on some of the goals of the support group, such as: "How can families help the elderly adjust to life in a nursing home?" and "How can relatives adjust emotionally to the new situation?"

T.F.T. plans monthly meetings with professional speakers. Many communities already have such groups. It has been found that by sharing one's concerns with others who have the same problems one can find strength and solutions.

Co-directors of T.F.T. are Delores M. Piazza, Assistant Director of TWIN, and Mary Lindenberg.

AT ROCHESTER TOWN HALL

Senator Edward P. Kirby, R-Whitman, will hold office hours in each of the 15 towns in the Second Plymouth District during January and February to advise residents on current legislation, seek their opinions on important issues, and assist them in their interaction with state government. The meetings purposely coincide with Selectmen's meetings to encourage greater citizen participation and are usually held in a meeting room adjacent to the Selectmen's room.

In announcing the series of meetings, Kirby said, "Citizens need to know that their government is responsive to their concerns. I urge residents of the district to attend one of our meetings to provide me with the information I need to vote on issues."

MORE PEOPLE CAN NOW WEAR CONTACT LENSES

Approximately four million people this year will find that contact lenses provide them with sharp vision, help them look their best and are surprisingly comfortable. But though there have been many advances in technology, contact lenses still aren't for everyone. Call today for an eye examination to determine if contact lenses are right for you.
